

## 2010 ACTIVE LIVING BIKE EXPO Reminder for Presenters

We need your help!

As an integral part of the 3rd Annual Minnesota Bike Summit & Expo, April 23 & 24, we want to showcase the newest and best information for the summer riding season. We want to remind you that you can demonstrate and share your knowledge and skills by presenting a clinic, demo or short presentation of your specialty or interest to the bicycle community. We want to cover the broadest possible interests and would like to hear from you as to what you are interested in presenting. We do need you to return your proposal by **March 1, 2010**. By returning your proposal by March 1, you will be in a better position to get the day and time that works best for you.

Assembling hundreds of fun riding opportunities and gear, [HaveFunBiking.com](http://HaveFunBiking.com) will be working with industry and community representatives to produce an outstanding group of bicycle oriented products and programs at this show, can you help?

Presented by the Bicycle Alliance of Minnesota (*BikeMN*) the expo is scheduled for "Ironman Weekend," Friday April 23 (3-9 pm) & Saturday April 24 (9am-6pm), at the Minnesota State Fairgrounds, in the Education Building.

Most presentations will be stage based and each session will last approximately 15 to 40 minutes. We are looking for high energy and informative presentations for: bike tech, bike repair, BMX and mountain, commuting, racing, safety, trail riding, fitness and innovative ideas or trends in biking. All ideas are welcome.

We look forward to hearing from you to make this a great event for your organization and for bicyclists throughout Minnesota!

***Please fill out the registration form by March 1, 2010 and email to Russ Lowthian [MnTrip25@aol.com](mailto:MnTrip25@aol.com) Email Russ if you have questions as well.***

*The Bike Expo is a joint collaboration of The Bicycle Alliance of Minnesota and HaveFunBiking. The Bicycle Alliance of Minnesota is a statewide bicycle organization with a vision that "bicycling in the state should be a safe, easy, fun and a cool choice for everyone and HaveFunBiking is committed to promoting bicycling in the state. See [HaveFunBiking.com](http://HaveFunBiking.com) for more information.*
